1962 Big

Design by Franco Zavarise

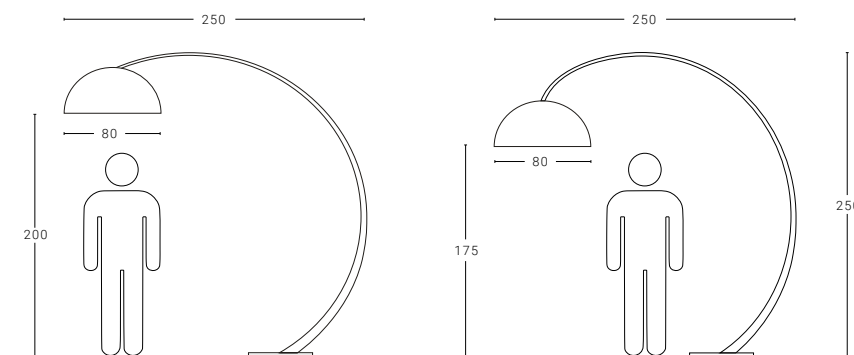

Capace di valorizzare e rendere unico ogni ambiente con la sua maestosa eleganza, 1962 Big è un pezzo esclusivo grazie al suo design minimalista, dettato da forme semplici e materiali industriali. Completamente in ferro, presenta un'importante cupola di 80 cm di diametro, personalizzabile con foglio oro, argento o rame. Disponibile anche dimmerabile, viene fornita provvista di telecomando.

Thanks to its majestic & Elegance, 1962 Big is an unique piece, capable of enhancing and making any environment where it is set absolutely exclusive. Minimalist, dictated by simple shapes and fully made in metal, it has an impressive dome of 80 cm. The inner part of the dome is customizable with an accurate handcraft-treatment in gold, silver or copper leaf. Available also with dimmer by remote control.
