

VISO LIGHTING

HONEY

HONEY

Sexy. Playful. Vibing.

Designer: Tzetzzy

Like its name, the Honey collection is sweet and beautifully designed. It is an elegant fixture that features a gold hoop ring with four concentric glass globes and a unique canopy. Each of the four glass globes are interchangeable, allowing for customization. Easily switch out one or all four glass globes to suit the environment, mood, or the occasion. With a selection of 11 colours, the possibilities are endless. Be a designer of your own light.
