Ray Power

ESCAPE. Domino effect.

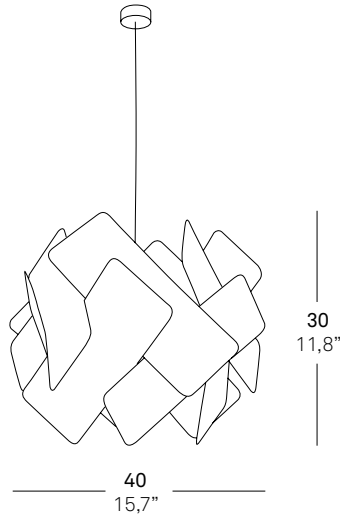

The domino effect in lighting, a chain of self supporting squares falling into a ring of light. This new proposal by Irish designer Ray Power creates a domino circle caught in a constant state of gravity defiant falling.

ESCAPE. Efecto dominó.

El efecto dominó en iluminación, una cadena de rectángulos suspendidos en torno a un anillo de luz. Esta nueva propuesta del diseñador irlandés Ray Power crea un efecto dominó sostenido en un estado de ingravidez.
