

Sister

Design by Enrico Azzimonti

Una lampada materica e armoniosa ma nello stesso tempo definita, con un elemento che ricorda l'arte industriale, dal carattere moderno e deciso. Il prodotto si presta per ambienti raffinati ed eleganti e dona un tocco personale a qualsiasi arredamento.

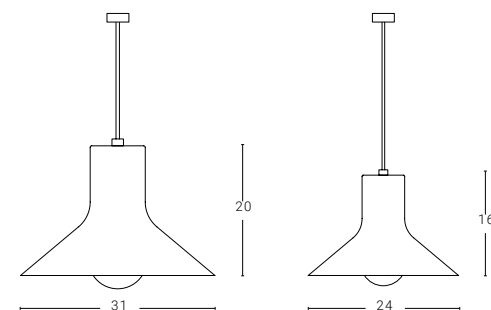

An harmonious lighting object , & at the same time with a modern and decisive mood that reminds the industrial art. The product lends itself to refined and elegant environments and gives a personal touch to any furnishings.
